WARRANT

STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Columbia, in the County of Coos, in the State of New Hampshire, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall on Tuesday the 9th day of March, next, at ten o'clock in the forenoon to act upon the following subjects:

11. To vote and bring in ballots for election of Town Officers to be elected by ballot for the Town of Columbia for the year ensuing.
2. To see if the Town will instruct its Selectmen to appoint all other Town Officers as required.
3. To raise such sums of money as may be necessary for the Old Age, Blind and Disability Assistance for the year ensuing.
4. To raise such sums of money as may be necessary for the support of the poor for the year ensuing.
5. To raise such sums of money as may be necessary for the repairs of highways and bridges.
6. To see if the Town will vote to authorize its Selectmen to take such action regarding plowing or otherwise keeping winter roads open in said Town for the year ensuing, as in their judgment seems conducive to the best interest of the Town, and appropriate money for the same.
7. To raise such sums of money as may be necessary for the upkeep of cemeteries.
8. To see what action the Town will take with reference to hiring the Colebrook Fire Department and the Stratford Fire Department for the purpose of extinguishing fires in said Town, and in the event of favorable action to make necessary appropriation for the same.

9. To see if the Town will vote to authorize the Selectmen to incur debts for temporary loans in anticipation of the taxes for the ensuing year, and to pay such debts out of tax money when the same is received.
10. To see if the Town will vote to authorize the Selectmen to administer or dispose of any real estate acquired by the Town through Tax Collector's Deeds.
11. To see if the Town will vote to authorize the Selectmen to apply any surplus remaining in their hands at the end of the fiscal year 1970 to the defraying of Town Charges for the fiscal year 1971 in order to effect a proportionate reduction of the amount to be raised by taxes.
12. To see what sum of money the Town will raise for the support of Town Charges for the ensuing year.
13. To see if the Town will vote to accept State Aid for Construction of Class V Roads and raise and appropriate or set aside for said purpose the sum of \$632.20 the State to contribute the sum of \$4,214.64
14. To see if the Town will vote to raise the sum of \$127.22 for the purpose of uniting with the 45 other Towns in the White Mountains Region Association in publicizing and otherwise promoting the natural and commercial factors upon which the economy of the North Country is based.
15. To see if the Town will vote to repair Columbia Bridge, and in the event of favorable action, to raise money for the same.
16. To bring in your ballots as to whether the voters are in favor of the adoption of the zoning ordinance, as proposed by the Zoning Commission.
17. To see if the Town will vote to contribute to the Upper Connecticut Valley Mental Health Services, and appropriate for said purpose the sum of \$441.00.
18. To see if the Town will vote to accept the reports of agents, auditors, selectmen, and all other officers, and ratify and confirm the same.

19. To transact any other business which may legally come before this meeting.

Given under our hands and seals this 4th day of February, A. D., 1971.

RAY PLACY, JR.
KENNETH A. PARKHURST
MILTON E. ADAIR
Selectmen of Columbia

A true Copy, attest:

RAY PLACY, JR.
KENNETH A. PARKHURST
MILTON E. ADAIR
Selectmen of Columbia

STATE OF NEW HAMPSHIRE, COOS, SS: February 4, 1971

We, Ray Placy, Jr., Kenneth A. Parkhurst, and Milton Adair, Selectmen of the Town of Columbia, hereby certify that we posted a true and attested copy of the within warrant, at the place of meeting specified and a like copy at a public place in said Town, and delivered to the Town Clerk on the same date the original warrant.

RAY PLACY, JR.
KENNETH A. PARKHURST
MILTON E. ADAIR
Selectmen of Columbia

STATE OF NEW HAMPSHIRE, COOS, SS: February 4, 1971'

Personally appeared Ray Placy, Jr., Kenneth A. Parkhurst, and Milton Adair, and made oath that the above affidavit, by them subscribed is true.

Before me ISABELLE M. PARKHURST
Notary Public

ZONING ORDINANCE

For THE TOWN OF COLUMBIA, N. H.

1. The Town of Columbia, in pursuance of the authority conferred by Chapter 31:60-89, New Hampshire Revised Statutes Annotated, 1955, and any amendments thereto, and for the preservation of the attractiveness of the Town, its desirability as a place in which to live and do business, the safeguarding of health, welfare, morals, convenience and safety of its citizens, property values, and an orderly growth in the future, hereby adopts the following Zoning Ordinance:
2. The Town of Columbia shall be in only one zoning district known as rural zone and subject to all provisions in this Ordinance.
3. After the passing of this Ordinance, it shall be unlawful to erect and use any structure, sign, or building, or relocate any building (except an accessory building less than 200 sq. ft. in size not for human occupancy) without first obtaining a permit from the Selectmen. For each such permit the Board shall collect and pay to the Town Treasurer the sum of two (2.00) dollars. The Board of Selectmen at its discretion, has the right to waive the permit fee.
4. No permit shall be required for remodeling or repairing where the purpose for which the building or structure is to be used is not changed, or the building is not enlarged or the use extended.
5. LOT MEASUREMENTS:
 - a. A building shall not be erected or placed on a lot that does not measure at least one hundred fifty (150) feet frontage on a state road or town road, and the minimum lot size shall be 18,750 sq. ft. per dwelling.
 - b. A building shall not be erected or placed closer than twenty-five (25) feet to other boundaries unless written consent of the property owners within twenty-five (25) feet of the proposed building location is filed with the application for a permit.
6. The Selectmen shall publicly post a copy of this permit for fourteen (14) days before such permit shall become valid.

7. If construction of the building for which a permit has been issued is not begun within one year from the date of issuance, said permit shall expire.
8. No owner or occupant of any land in said Town shall permit any building or other structure, or fire ruins, to be left unfinished or incompleated thereon but shall complete or remove the same within one (1) year, unless specified by the Board of Adjustment.
9. Nothing in this Ordinance shall be construed to prevent the continuance of any existing use of land or buildings except that non-conforming uses shall not be enlarged or extended after the passage of this ordinance.
10. A non-conforming use, nonetheless, which becomes non-operative or vacant for a period of one year shall not thereafter be reoccupied except for a use conforming with this Ordinance.
11. TRAILERS AND MOBILE HOMES:
 - a. A permit shall not be granted for a house trailer or mobile home without the written consent of the owners of all property within five hundred (500) feet each side of the proposed location. Such consent shall be filed with the application for a permit.
 - b. A house trailer or mobile home shall not be placed on a lot that does not measure at least one hundred fifty (150) feet frontage on a state road or town road, and a minimum lot size shall be 18,750 sq. ft. per dwelling unit or mobile home lot.
 - c. No permit shall be issued for a house trailer or mobile home which does not have a minimum area of 400 sq. ft., a continuous masonry foundation, an adequate independent sewerage disposal system and running water.
 - d. House trailer and mobile home permits shall be applied for and issued in the name of the owner of record of the land on which the house trailer or mobile home is to be placed.
 - e. No permit shall be required for a house trailer or mobile home for temporary location for a period not to exceed (30) days.
12. TRAILER PARKS:
 - a. The building of trailer parks other than the ones in existence at the passage of this Ordinance will be prohibited in the Town of Columbia.

- b. Any existing trailer parks to be enlarged or extended after the passage of this Ordinance must have lots with a minimum of 18,750 sq. ft. per unit, adequate sewage disposal system and running water.
- c. Trailers or mobile homes to be placed in trailer parks are not to have less than a minimum area of 400 sq. ft.

13. ENFORCEMENT:

- a. It shall be the duty of the Board of Selectmen, and said Board is hereby given power and authority, to enforce the provisions of this Ordinance.
- b. The Selectmen shall issue any and all permits requested when such permit is in accordance with the provisions of this Ordinance.
- c. Upon any well-founded information that this Ordinance is being violated the Selectmen shall, on their own initiative, take immediate steps to enforce the provisions of this ordinance by seeking an injunction against said violation or by any other legal means.

14. BOARD OF ADJUSTMENT:

- a. Within thirty (30) days after the adoption of this Ordinance and thereafter as terms expire or vacancies occur, the Board of Selectmen shall make appointments to a Board of Adjustment of five (5) members conforming in duties to the provisions of Chapter 31 of the N. H. Revised Statutes Annotated, 1955. Thereafter as terms expire or vacancies occur, the appointing authority shall be responsible for filling vacancies and maintaining full membership on the Board of Adjustment. The Board of Adjustment shall conform in membership and term of office to the provisions of Section 67, Chapter 31, N. H. Revised Statutes Annotated, 1955.
- b. Any decision of the Board of Adjustment may be overruled by a signed petition of over 50% of the eligible voters of Columbia if said petition is filed with the Selectmen within thirty (30) days from the date on which the decision in question was made.

15. AMENDMENTS:

This Ordinance may be amended by a majority vote at any legal Town Meeting when such amendments shall have been published in the Warrant calling for such meeting.

16. PENALTY:

Any failure to comply with the provisions of this Ordinance shall upon written notification by certified mail by the Board of Selectmen, be subject to a fine of not more than ten (10) dollars for each day the violation shall continue.

17. SAVING CLAUSE:

The invalidity of any provision of this Ordinance shall not affect the validity of any other provision.

18. WHEN EFFECTIVE:

This Ordinance shall take effect immediately upon its passage.

COLUMBIA SCHOOL DISTRICT
WARRANT
THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Columbia qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on Tuesday, the 9th day of March, 1971, immediately following the Town District meeting, to act upon the following subjects:

1. To bring in your ballots for the election of the School District Officers to be elected by ballot for the School District of Columbia for the ensuing year (s).
2. To determine and apppoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents for the district.
3. To hear the reports of agents, auditors, committees or officers chosen and pass any vote relating thereto.
4. To see if the district will vote to create an Authorized Regional Enrollment Area (AREA) planning committee consisting of three qualified voters of whom at least one shall be a member of the school board.
5. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents and for the payment of the statutory obligations of the district.
6. To see if the district will vote to authorize the School Board to make application for and to accept, on behalf of the district, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or the United States.
7. To transact any other business that may legally come before the meeting.

Given under our hands at said Columbia this 4th day of February, 1971.

ERWIN PARKHURST, Chm.
HAROLD PERRY
STEWART RAINVILLE

SUPERINTENDENT'S REPORT

Housing the school program and providing sufficient space for pupils is becoming an ever increasing problem. With changes taking place within the basic curriculum of elementary and secondary education and the addition of related services for pupils to include music, physical education, health, library, audio-visual, combined with an increase in the school population, however slight, local communities are now faced with school plants that are or are becoming inadequate to meet all these changes and needs.

Although revisions in school facilities have been made through the years to accomodate the changing school program, this has not been accomplished without the sacrifice of existing space or the increasing demand on the local taxpayers.

Vocational education is now becoming an important aspect in the secondary program. Rapid changes now taking place in occupational opportunities and vocational fields available to a student upon graduation are having a direct effect on the responsibilities of the secondary school program. Since a major function of education is to prepare a student for the future and to assist him in securing gainful employment, thought must be given to present vocational education programs and to their possible expansions to best meet the needs of those students who may not be financially able or desire to pursue a formal four year college program.

The concept of shared services by local and north country area school districts has made possible the sharing of a speech and hearing therapist as well as workshops for local teachers in the areas of art, audio-visual, and reading. The sharing of school facilities on a tuition basis has long been carried on by local districts and this year the voters in a number of districts will be asked to establish a planning committee to investigate the feasibility of a long term tuition contract under an Authorized Regional Enrollment Area (AREA) concept.

With the increasing expansion of educational programs and facilities it is strongly recommended that local districts continue working together in meeting these needs and in providing the most financially feasible solutions.

Respectfully submitted,

STEPHEN E. DEHL
Superintendent of Schools

COUNSELING SERVICES DEPT.

Testing programs for achievement, ability, intelligence and interest take up a good percentage of the school counselor's time. In this report I will try to explain the implication and importance of these tests.

The first testing in the school year is required by the State of N. H. and records ability and achievement for grades 4, 6, 8 and 10 — the tenth grade takes an additional (SCAT) School and College Ability Test under this program. 310 students were tested in this program totaling 2,399 student test hours.

Next there is the (PSAT) Preliminary Scholastic Aptitude Test given to juniors and seniors planning some form of education beyond high school. 48 of our students took this testing totaling 144 test hours.

For college bound students there is the (ACT) American College Tests and the (CEEB) College Entrance Examination Board (SAT) Scholastic Aptitude Test and Achievement Tests. These tests are taken on Saturdays throughout the school year and involve the juniors and seniors. Some 30 of our students will take these tests this year totaling about 150 hours.

The (NMSQT) National Merit Scholarship Qualifying Test is given to college bound juniors and if a student should qualify he would receive a \$1,500.00 merit scholarship. This year about 20 of our students will be tested covering about 60 test hours.

The (NEDT) National Education Development Tests record a student's intelligence and achievement in grades 7, 8, 9, and 10. The areas covered are English, math, social studies, science and vocabulary. 220 of our students are tested in this program totaling 1,320 test hours.

This year for the first time we will test our students "interests" — their likes and dislikes. This test, the (OVIS) Ohio Vocational Interest Survey, will be given to all seventh grade students and will total some 228 test hours. The interest survey results will be used with the other test scores and the students school marks to help determine what subjects in high school will best suit his needs.

In the 1970-71 school year over 700 students will be involved in these testing programs totaling more than 4,300 student test hours.

Respectfully submitted,

Jason Sibulkin
Counselor

SCHOOL HEALTH

The objectives of a school health program are to perform the necessary functions to maintain and promote good health of the pupils in our schools.

The following services are performed each year: checking heights and weights, vision and hearing; physical examinations for all students in grades 4, 8, and 11 and athletics; T.B. skin tests as recommended by the state T.B. Association; necessary immunizations; pre-school clinics for incoming first graders; and continuous supervision of general health.

A dental health clinic sponsored by the local towns and the state in what is called a Matching Fund Program was held two mornings a week from January through May. Fifteen youngsters received treatment at these clinics.

In April, eighty-six youngsters in grades 1-4 were immunized against German Measles with vaccine made available by the state.

Starting in November, a Speech and Hearing specialist equipped with a mobile lab, visits the area once a week to work with some of our students who have speech and hearing problems. This is made possible by North Country Education Service, a Title III Project.

Every year we strive to improve the school health program. With everyone working together, it is hoped that we can achieve our goal in this endeavor.

Respectfully submitted,

DOROTHY L. DUCRET, R. N.

VOCATIONAL AGRICULTURE

Vocational Agriculture is a four year program at Colebrook Academy. Beginning with the ninth grade, students in the program receive introductory instruction informing them of basic agriculture and opportunities available in that field. Second year students are instructed in the basic principles of agricultural sciences involving shop, laboratory, and field trips. The objective of the first two years is to give the student an understanding of the economic importance of agriculture and a chance to learn of careers that the industry offers.

Third and fourth year students receive specialized instruction in dairy and forestry and are required to perform practical work in both fields. In addition, fourth year students are also required to take a course in farm mechanics to develop skills ranging from wood-working to engine rebuilding. A 40 acre school woodlot also provides an area for third and fourth year students to do practical work in forestry and sugar bush management.

A new Cooperative Education Program was started this year for fourth year students through the aid of federal funds. This program gives the student on the job training in mechanics, dairy, forestry, and related areas through released time from the last periods of the school day. As a new program, it has been unusually successful and at present there are 28 on the Cooperative Education Roster. Since this is a year round program, all students are required to do supervised summer placement work in a field of their choice and to keep records of the same.

The local chapter of the Future Farmers of America has been active since 1931. This is an intra-curricula organization that teaches students leadership, good citizenship through association, and development of skills through field and judging trips. The chapter also sends delegates to the national F.F.A. conventions where skills are further displayed and more skills obtained.

Enrollment in this department has doubled in the last three years.

Respectfully submitted,

ROBERT BURRILL, Instructor
Vocational Agriculture

ANNUAL REPORT FOR VER-SHIRE SCHOOLS & SHOPS

Colebrook, New Hampshire

This program has provided an increasing opportunity for the students to participate in activities and experiences which may lead to productive employment. For some, the employment will be in private business and industry. For others, it will be in a sheltered employment situation.

The Specific Goals have been:

1. to instill a sense of personal worth and self-sufficiency;
2. to identify and develop any skills and talents that can lead to productive employment in a secure environment;
3. expand the opportunity to socialize with others and gain community awareness and support.

Such goals have been more readily achieved in a setting other than the academic classroom, at home or in isolation from peers. Thus the socialization in a class with others who have similar needs has expanded limited surroundings and developed positive outlooks in an actual job environment.

Academics, as such, has not been abandoned since many trades and skills require certain academic skills which must be learned and practiced. It has been demonstrated that if certain students are unable to sufficiently develop a trade or skill they still are benefitting from an opportunity to work and socialize outside of their neighborhood environment.

Some of the Objectives that have been met:

- a. We have identified and evaluated present skill levels, strength and weakness of students in the program.
- b. We have developed and identified skills in the program of activities specifically designed for the students.
- c. We have aided the students to adjust and to function within the limits of their weaknesses.
- d. We have taken the basic steps in preparing the students as far as possible for possible productive employment in a community work setting.

The procedures which have been used to accomplish the above objectives include skill tests designed to establish competency

levels in sorting, shaping, discriminating colors, sizes and weights, making craft articles, sewing, cooking, leather, ceramics, wood working, upholstering, and furniture refinishing. In addition, procedures have been employed by the instructors to maintain and continue where possible, existing academic skills. These include instructions in basic skilled work in counting, reading, and lettering. The students have learned to understand the basic elements involved in keeping time, figuring wages and appreciation of the value of money earned as well as preparation for community involvement by having learned good work habits and acceptable employer-employee relations as well as the worthy use of leisure time.

The activities used in the workshop were deliberately chosen to develop work habit training, eye-hand coordination, finger dexterity and to afford the student access and training with tools in the sheltered shop setting. Each student has progressed to his present level of achievement at his own individual rate of speed.

The simplicity of the beginning task gives the student a feeling of success. This success has, in turn, encouraged the student to make greater effort in the next operation. The students' attention span has increased and they have a greater capacity to tolerate frustration as the result of their ability to master more complex activities. The students who have found success attainable in earlier products have moved ahead to more complex activities depending on the ability of their performance.

The program has been considered a pilot project and the local school officials, Northeast Kingdom Mental Health Service staff, have adopted positive elements of the project for other programs and hope to see it broaden both in scope and in number of students served by the program.

Respectfully submitted,

GEORGE COULTER
Coordinator,
Vershire Schools & Shops

NOTES ON BUDGET

The School Board has proposed a school budget of \$74,013.00 for the fiscal year 1971-72. Receipts are estimated to be \$20,500.00, leaving a balance of \$53,513.00 to be raised by taxes. This is an increase of \$8,856.45.

The reason for this increase is mainly attributed to the tuition rate and increase in the number of students. These two factors alone account for approximately \$6,731.00 of the increase. Additional increases in transportation, Supervisory Union Expenses, and Central Arts Library contribution account for the balance of the increase.
